Double-Sliding Panoramic Sunroof

The panoramic sunroof is the world's first double sliding glass panels. It extends over the front and rear seats, making the cabin more relaxing for all occupants. When the sunroof is opened, its opening has a dimension of 800mm x 560mm (largest in its class), providing all occupants an invigorating open-roof experience.

5-Star Euro NCAP Safety

From accident avoidance to occupant protection, ensuring passenger and pedestrian safety is S-Cross design philosophy. Its high-performance technologies such as the proprietary TECT (Total Effective Control Technology) body and top-of-the-line safety features such as ESP (Electronic Stability Program) and 7 airbags offer absolute confidence and peace of mind. It has received the maximum 5-star Euro NCAP overall safety rating.

ALL-GRIP 4WD Technology

Suzuki has evolved its renowned 4WD technologies into a new generation that delivers driving pleasure and peace of mind while suppressing fuel consumption. The 4WD system has four driving modes - AUTO, SPORT, SNOW and LOCK.
